WEB DEVELOPMENT SERVICE AGREEMENT

BETWEEN:

Fernando Arong ("Developer"), operating under YeilvaStore, located in the Philippines.

AND:

_____

[Client Name/Business ("Client").

1. SCOPE OF WORK

Developer agrees to build a custom PERN Stack website including: [List features, e.g., User Auth, Product Catalog, Admin Dashboard]. Any features not listed here are considered "Out of Scope" and will be billed separately.

2. PAYMENT TERMS

Project Fee: [Total Amount in PHP/USD] _____

Downpayment: 50% non-refundable deposit required to start.

Final Payment: 50% due upon project completion but prior to the transfer of source code or "Go Live" deployment.

3. CLIENT RESPONSIBILITIES

Client must provide all text, images, and API credentials within 7 days of signing. Delays in providing materials will result in a pushed-back launch date.

4. INTELLECTUAL PROPERTY

Upon final payment, the Client owns the custom code for the website. Developer retains the right to use the project in their portfolio.

5. TERMINATION

If the Client cancels the project, the 50% downpayment is forfeited to cover the Developer’s time and resources already spent.

6. GOVERNING LAW

This agreement shall be governed by the laws of the Republic of the Philippines.
